EXPERIENCE

Bhimavaram Online, Bhimavaram — *E-Commerce Intern*

09/2021 - 11/2023

During my internship at Bhimavaram Online, an ONDC-enabled e-commerce platform, I excelled in harmonizing local stores with the digital marketplace. I orchestrated vendor onboarding, impactful social media campaigns, and streamlined order processing and delivery, amplifying customer satisfaction. This experience enriched my adeptness in project management, digital marketing, and business development.

MCR Web Solutions, Bhimavaram — *FullStack Developer Intern*

08/2022 - 06/2023

During my internship at MCR Web Solutions, I spearheaded the development of a Real-time Full Stack Web Application for a prestigious local association. Additionally, I formed and led a team of 10 members from our department to maintain our college's official website, demonstrating strong leadership and collaboration skills. My expertise in HTML, CSS, JavaScript, PHP, and MySQL ensured project success and effective team management.

Campus Online START-UP, Bhimavaram — *Co-founder*

12/2022 - PRESENT

Campus Online enables seamless buying and selling among students, offering delicious and affordable meals at strategically located stalls on campus. With user-friendly design and efficient delivery options, we cater to busy schedules. Praised by students, professors, and Bhimavaram citizens, Campus Online showcases effective teamwork and a positive impact on campus life.

PARTICIPATIONS

START-UP EXPO, NIT Tadepalligudem

I participated in the STARTUP EXPO at NIT Tadepalligudem, presenting an innovative idea of combining Digital Marketing with engaging online games to promote local vendors

PRAJWALAN 2K23, SRKR Bhimavaram

Participated in PRAJWALAN 2K23, addressing a parent's pain point.

HTML, CSS, JAVA SCRIPT, PHP

UI/UX

Figma

DEVELOPER TOOLS

Git, VS Code

DATABASES

MySQL

PROGRAMMING LANGUAGES

Python

ACHIEVEMENTS

Winners Of PRAJWALAN 2K23

Solving the lunchtime struggle for students by providing a pickup and delivery service for freshly cooked meals in schools located far from residential areas.

ORGANIZER Of FREEDOM FEST

I, as the organizer of Freedom Fest, aim to create a memorable event celebrating liberty, unity, and community values through engaging activities and diverse performances.

PROJECTS

SRKR College Official Website— [Web-Site](#)

As Team Lead and Project Coordinator, I managed the SRKR College official website, developing dynamic admin modules for seamless content updates and enhanced accessibility across branches.

Youth Cultural Association— [Web-Site](#)

Developed a full-stack web app for a national youth cultural association with 1100+ members, facilitating event updates and enabling seamless member verification and access for branch clubs.

BO Lunch Box— [Web-Site](#)

Developed a software solution for BO Lunch Box to notify parents about lunch pick-up, provide live location tracking, and confirm delivery at school, ensuring fresh and nutritious meals for students.

Personal Portfolio — [Web-Site](#)

Developed a responsive portfolio using React.js, Next.js, and Bootstrap to showcase my work, skills, and experience, providing an interactive platform for potential employers and collaborators.

Ayush Dr Cafe— [Web-Site](#)

I designed and developed a static web application for a restaurant.

EDUCATION

ZPHS, Siragalapalli— Secondary Education

2017 - 2019

Remarkable 9.2 CGPA in secondary education

Sri Chaitanya JR College, Palakollu— Intermediate

2019 - 2021

Completed intermediate level with first-class honors.
